

Industrial Roof Ladders

Industrial Roof Ladders

- Manufactured with industrial strength aluminium, with oval section stiles and heavy duty non-slip rungs, incorporating a heavy duty ridge hook
- Rubber covered bearers bars distributes weight evenly to prevent damage to roof surface
- This single section ladder can be extended to a variety of lengths with the use of roof ladder extension pieces

Code	Overall Length	Weight	Rungs
RL1	3.37m	10.40kg	12
RL2	4.43m	11.30kg	14
RL3	4.94m	12.30kg	16
RL4	5.55m	13.20kg	18

RLE - Industrial Roof Ladder Extensions

- Made to the same specifications as the Industrial Roof Ladders
- Supplied with stile spigots and drop nose locking pins for a secure attachment

Code	Overall Length	Weight	Extra Rungs
RLE3	0.90m	3.20kg	3
RLE4	1.20m	4.10kg	4
RLE6	1.80m	5.90kg	6
RLE12	3.60m	8.60kg	12
