

LADDERSTORE

# Ladders Vital for Magical Tipi Company

**M**agical Events are an award winning Giant Hat Tipi & Bell Tent hire company. When they were recently in need of a variety of ladders to help erect their tents, they approached Ladderstore.

“The Zarges Class 1 Extension Ladders and Lyte Class 1 Swingback Steps play a vital role in erecting Giant Hat Tipis. We would be stuck without them!” said Matthew Mazurek of Magical Events Ltd.

“We use the extension ladders at around 8 metres in order to attach the poles and get the canvas on. The step ladders are used for all aspects of joining the tipis and rigging up the lighting.”

The Zarges Class 1 Extension Ladders features comfortable D shaped rungs, high strength box section and non slip end caps. Ergonomic Rung hooks & guides for safety and rubber stile plugs stop ladder sections moving in transit.

The Lyte Class 1 Swingback Stepladders feature a unique strengthening beam which is incorporated into the non-slip treads. Durable rubber feet and aluminium side arms prevent slips and twists with no tapes or flimsy arms to break. Lightweight and easy to carry, these swingback stepladders are ideal for trade use.

“We have always been happy with the service we receive from Ladderstore and feel that the prices represent good value for money. We purchased all our ladders from Ladderstore last year and plan to continue purchasing our ladders from you in the future.”

If you would like to find out more about our range of ladders and how we can solve any working at height problems for your company, speak to our experts on 01240 590 232 or email [info@ladderstore.com](mailto:info@ladderstore.com).
