

Z 600 ZAP Master Step

Safe ascent and descent due to non-slip treads and handrail, high degree of stability and compact transport dimensions

- Large-area work platform (400 mm × 400 mm)
- 3-sided peripheral railing for maximum work safety
- Generously sized storage tray for tools and small parts
- Optimum stability thanks to rigid locking bar on both sides
- 80 mm deep treads with ZARGES Safer Step Technology
- Compact dimensions when folded thanks to automatically retracting safety cage
- Prepared for attaching the ZAP stabilisers
- Replaceable 2-component plastic end caps ensure positioning without risk of slipping and at the same time provide firm seating in the stile
- ZAP stabilisers, swing-out stabilisers for increased stability in accordance with EN 131-7 regulations available as accessories

Safety cage with storage tray

Folds to compact dimensions

Stepladder, folded

ZARGES Safer Step Technology
