## Technical Description

Our concertina loft ladder is easy to pull down and climb. Fits tiny loft spaces that makes even the smallest loft spaces accessible. You can get more value from your home or office and use storage space that you might have looked over before. With a swing clearance of just 47cm, this concertina loft ladder will work on the narrowest of landings or hallways. The concertina is available with 9, 10 or 11 rungs and comes complete with installation instructions and fittings.

- » Concertinas up into tiny footprint that sits on loft hatch
- » Fits the most compact loft spaces

## Standards & Classification

- » Maximum Static Vertical Load 100kg

## Warranty
